NOTICE - BEERS WILL START POURING AT 6 PM

Thanks to the hard work of Naked City, for the first time ever, all homebrewers and beer lovers have a chance to sample from the largest assembly of Pro-Am beers available to the public in the history of Washington. Over ten homebrew recipes that were scaled up for commercial production will be on tap at Naked City starting on Tuesday, August 24th. These award winning homebrew recipes were selected from the Puget Sound Pro-Am homebrew competition in April after careful selection from Washington craft brewers. Many of these beers will be sent on the Great American Beer Festival's Pro-Am Competition in September. More details on the PSPA at www.bewbc.org/pro-am.

There is only a limited amount of each of these beers available so come down to Naked City for your chance to try these beers side by side and celebrate the tie between homebrewers and craft brewers. Here are some of the beers that will be featured:

Baron Brewing's Maui Wowie Coconut Porter
Big Al Brewing's Uber Alt Dusseldorf Alt
Big Time Brewery's Baltic Porter
BJ's Rod and Todd Flanders
Elliott Bay's Black Pepper Porter
Elysian's Polecat Porter Baltic Porter
Naked City's Imperial Wood Aged Porter
Big Horn/Ram's Blackened Hops Cascadian Dark Ale
Rock Bottom Bellevue's Achtung Baby Berliner Weisse
Rock Bottom Seattle's May the Schwartz be with You Schwarzbier
Schooner Exact's Scottish Wee Heavy

As a special offer, in the evening AHA members can renew their memberships for a reduced rate (\$33 - find Mark Emiley). Come on down, bring your friends, and have a great time enjoying the products of the finest homebrewers and Puget Sound craft brewers!
