Are you entering beers in the 2018 National Homebrew Competition and having your beers judged in the Portland location, living in the general Puget Sound area and interested in having them driven down instead of shipped through the mail? A few people have worked out some logistics options and here are two possible ways you can get your beers down:

1. Southern Puget Sound Drop Location -Fermentation Initiative or Fish Brewpub, Tacoma

- When: up until March 25th
- Where: Fermentation Initiative (fermentationinitiative.com) in Tacoma or Fish Brewing brewpub (<https://www.fishbrewing.com/fish-tale-brewpub>)
- Fee: \$1 per entry fee to cover transportation (put it in an envelope rubberbanded to the bottle)

2. North Puget Sound Drop Location - Crucible Brewing, Everett

Details:

- When: **March 19 – March 29, during Crucible’s normal business hours**
Mon -Thur 3-9, Fri & Sat 12-9, Sun 12-8
Please try to come outside of peak hours, and please enjoy some of Crucible’s fine beer!
Entries will only be accepted during this window. Note we are relying on the staff at Crucible to accept and store your entries, and they may not be aware of all the rules. If you drop off outside this window, your entries will not make it to Portland even if the staff takes them.
- Where: **Crucible Brewing – Woodinville Foundry**
Not their original facility in Everett
12826 NE 178th St, Ste C
Woodinville, Washington
