There are a few simple things that you can do to help support the Washington Homebrewers Association.

1. Brew and share: A better Washington homebrew scene starts with great homebrew. Keep homebrewing and trying to make each batch just a little better. Share it with friends to get feedback but also to spread the word and joy of homebrewing.

2. Support local organizations and participate in activities: Support your local competitions, clubs, stores, events, and homebrewers! Help out where you can and just have a great time. We strongly encourage getting in touch with a local club as they are the workhorses that make things happen in the state. [Find a club near you](#) and get involved.

3. Contribute: The WAHA can help make more things happen with a little financial support. Since we don't want to charge fees for "membership", our funds come strictly from donations from clubs and sales of merchandise. You can help a ton simply by contacting your club rep and ordering a [WAHA t-shirt](#). They look great and all of the funds go to support events designed to help you! Look for t-shirt sales anywhere there is a WAHA event going on. Alternately, you can send a PayPal Donation to [wahafunds@yahoo.com](mailto:wahafunds@yahoo.com) (currently not accepting credit card donations, only e-checks).

Thanks for all of your support! Keep in touch and keep brewing!

### **PayPal Donations:**
