Bottle labels are available at http://www.bjcp.org/docs/SCP_BottleID.pdf . Each bottle needs a bottle label attached by rubber band; DO NOT USE TAPE! Each entry will require an entry/recipe form available at:

http://www.bjcp.org/docs/SCP_EntryRecipe.pdf . Each entrant should review the 2008 BJCP style guidelines available at http://www.bjcp.org/stylecenter.php to determine the appropriate category in which to enter their mead, cider or perry. Default evaluation for undesignated elements will be as defined by the BJCP guidelines for mead & cider. Entries will not be recategorized by the judges. The strength, carbonation and sweetness of each mead entry MUST be specified, and carbonation and sweetness of each cider & perry MUST be specified. Please consult the 2008 BJCP guidelines for the required information for each subcategory.

Any questions should be directed to the competition director, Tim Hayner at tim@bigalbrewing.com . Additional info is available at www.impalingalers.org and www.wahomebrewers.org
