After a morning round where all beers will be evaluated on BJCP guidelines there scores will place them in one of 4 brackets (American IPA14a, European IPA 14b Imperial IPA 14c and Experimental IPA 23a.) and will be evaluated in a head-to-head fashion. The winner(s) of each bracket will advance to a final Best of Show round, and the best beer will be crowned the winner. This is a BJCP certified competition as well as Washington Homebrewer of the Year qualifier.

Participants are encouraged to enter as many different IPA beers as they wish. Please don't enter the same beer twice. For more information go to: www.gebl.org . For registration go to: http://ipabracket.gebl.org/

At the beginning of the bracket round all participants will be emailed their entry number. With this numbers brewers will be able to follow their beer on a live webcast as their beer(s) advances through the bracket.
