AUDIO FROM EVENT

The Washington Homebrewers Association would like to invite all homebrewers and beer lovers to hear to the second speaker of the WAHA's Educational Speaker Program - Ralph Olson.

Ralph Olson , owner of Hop Union , is the "king" supplier of hops for the home and craft brewer. If something is happening in the world of hops, Ralph is on top of it.

Come to the Rogue Issaquah Brewhouse to hear Ralph talk about everything imaginable about hops. Got a question about upcoming hops or the status of the hop harvest? This is your opportunity to get an answer right from the source! You'll have a chance to pick the brains of one of head figures of Washington's most valuable brewing commodity and mingle with your fellow Washington brewers. Admission is $5 and open to all homebrewers, craft brewers, and beer lovers. Just bring your brewing questions!

We encourage people to come early, support our host and grab something to eat. All throughout the night you will be able to buy Rogue's great beers at the bar.

In order to make sure we have enough space for the event, we need you to RSVP here .
