Washington homebrewers,

The Washington Homebrewers Association would like to invite all homebrewers and beer lovers to hear the fourth speaker of the WAHA's Educational Speaker Program - [Jess Caudill](#) of [Wyeast Laboratories](#)

. Last year's talk was a great success and Wyeast has agreed to come back and talk some more.

Come to [Big Al Brewing](#) on March 26th to hear Jess speak about wild microbes and answer all of your yeast questions and answers. Come ready to learn more about your yeast and get all of your yeast questions answered.

Admission is free and the event is open to all homebrewers and beer lovers. We ask that people RSVP in advance at <http://tinyurl.com/wyeasttalk> .

We encourage people to come early, grab a few pints and support our host. All throughout the night you will be able to buy Big Al's great beers at the bar.

\* We do realize that this is the same day as the McChord Brewfest celebration. Unfortunately due to event timing this was the only day we could work with. We encourage anyone interested in going to the McChord Brewfest to head down for the festival! We'll record the speech and post it on the website.
