On September 12th from 3-7 pm there will be an AHA rally at Elysian (Capitol Hill) where we will have as many of the Pro-Am brewed beers available as possible. Just like in previous years, this is your best chance to try most of the beers locally before going on to the GABF Pro-Am . We'll have brewery tours, you'll have a chance to talk to many of the brewers, there will be a raffle, and as always it is a great chance to meet your fellow homebrewers.

In order to get in for this event, you either need to be an AHA member or join for $33! For people joining, you'll get into the event and a chance to try all of these great beers in one spot, a year membership in the AHA including Zymurgy magazine and access to the Tech Talk forum, and be greatly helping the national homebrewing movement. Details on membership here .

Current AHA members will also have an opportunity to renew their membership for $33. Members can also upgrade their membership to a family membership for a small fee and get in your family or roommates.

Final details are posted here ..

Anyone willing to help out with the rally can contact Mark Emiley here .

Put the event on your calendar today and come on out to celebrate homebrewed and craft brewed beers!
