Mark your calendars onow for an American Homebrewers Association (AHA) Membership Rally on August 23rd at
Big Time Brewery
from 5-9 pm. It is looking like we'll be featuring more than half of the Puget Sound Pro-Am beers for your sampling. Bill Jenkins, the brewer at Big Time, will be giving tours. Several of the winning Pro-Am brewers will be there in case you want to pick their brains about the scaling up and brewing of their homebrews recipes. We are also trying to make it into a showing of WAHA so you'll be able to meet up with the officers and reps (wear your WAHA shirts!) There should also be some appetizers available and we'll be holding a raffle. Basically just a great time to mingle with fellow beer lovers and homebrewers.

EVERYONE BECOMES AN AHA MEMBER! Join or renew in advance or at the event. A discounted AHA one-year membership rate of $33 will be offered at the door. Once you're a member - entrance is FREE! If you are already an AHA Member, entrance is FREE, but don't miss this great membership rate of $33. Renew at the event! You can also join with a FAMILY MEMBERSHIP rate of $43 (you'll receive one Zymurgy magazine per household and all registered family members (limit 4) become card-carrying AHA Members with full benefits!). This works for "roommates" as well. For designated drivers, entry is free, but does not include an AHA membership.

We encourage people to RSVP in advance .
