October 24th, 4-7 PM - McChord Club

The McChord Club is hosting Rocktoberfest - a beer and rock event, on October 24th from 4-7 pm. For those attending the event (\$12 admission) there will be food and beer served by local breweries and homebrewers.

The first 200 people through the door will get a special commemorative glass.

At the event, attendees will be able to taste professional and homemade beers and vote for their favorites.

Awards will be given to the top three homebrews and professional beers.

All homebrewers are invited to submit beers (no entry fee) to be served at the festival.

Basically, bring whatever you need to pour your beer and share it with the attendees.

If you would like to submit homebrew for the event, you may either bring it in person to the event or drop it off at [The Beer Essentials](#) by October 22nd. Those willing to bring beer to the event in person need to pre-register with Robert at [The Beer Essentials](#) (253-581-4288).

Non-military members are welcome to attend as well but must provide Robert with your name(s), date of birth and number of entries (if any).

At the event you will be able to serve your beer to attendees, do your best to convince them that your beer is the best around, and mingle with other homebrewers.

Homebrewers without entries are also welcome to come by and enjoy the event (just contact Robert to get your name on the base entrance list).

If you have further questions, please contact Robert at [The Beer Essentials](#) .
